@jflucke Actually, I thought it might be pretty simple. I've had prior experience: <http://tinyurl.com/3z9h3u>

about 17 hours ago from web in reply to jflucke

Soft food for the rest of the day. And some Inbuprofin. about 18 hours ago from web

Post game analysis: There was a crack in the distal (back of the tooth). That's why the tooth was so sensitive and I needed so much numbing. about 18 hours ago from web

Done. about 18 hours ago from web

Final xray... about 18 hours ago from web

@jflucke One root was 25mm in length. Waiting for doc to return. So far this has been a breeze. about 19 hours ago from web in reply to jflucke

Xray good. Ready to fill roots with "Guta Percha." That's the filling material. about 19 hours ago from web

A little suction... about 19 hours ago from web

Roots measured in at 20mm. Average size they're telling me. about 19 hours ago from web

I meant xray but iPhone auto corrected to "fray" --funny. about 19 hours ago from web

another fray. I swallowed. about 19 hours ago from web

back to the action... about 19 hours ago from web

It's the number 30 tooth. about 19 hours ago from web

Computer measured length of roots. Nice. about 19 hours ago from web

Hot tooth. 5 numbings. 4 roots instead of 3. Now filled and xrayed. about 19 hours ago from web

But definitely lidocaine. Oooh, TV screen flush in ceiling so when chair down perfect viewing. about 19 hours ago from web

@jflucke No dam yet. Needed more numbing. In answer to your question, doc says numb juice is a combo based on where in the mouth. about 19 hours ago from web in reply to jflucke

I mean about. about 20 hours ago from web

Abput to start... about 20 hours ago from web

@stevehoff Isaid "numb," not "out." I have my wits still. about 20 hours ago from web in reply to stevehoff

@jflucke Thanks KC dentist. I definitely feel the force. about 20 hours ago from web in reply to jflucke

endodontist says hello to my twitter public. Is into this but tells me there aren't too many breaks in the action. about 20 hours ago from web

Numbing in progress. Just handed a list of DVDs available to watch during RT. Picked HBO's Entourage. about 20 hours ago from web

Numbing is next... about 20 hours ago from web

Any recommendations, dentists following me? about 20 hours ago from web

In chair, waiting for endodontist. about 20 hours ago from web

Michael Jackson's Man in the Mirror playing in waiting room. Appropriate. about 20 hours ago from web

In bathroom brushing teeth after hasty lunch. about 20 hours ago from web

Welcome to the first tweet of a root canal. Mine. I will post as the procedure permits. In waiting room. about 20 hours ago from web

Oooh, it's Root Canal Day. Join me at approx. 1:15 this afternoon for a "blow by blow" account (providing there are breaks in the action). 07:55 AM May 01, 2008 from web
