jflucke @outtacontext Just read the Washington Post piece, honored that my effort made the article <blush> about 14 hours ago from whirl in reply to outtacontext

canine @outtacontext Another dentist following your endo yesterday, nicely done. I'll have to tweet my next extraction. about 21 hours ago from web in reply to outtacontext

jflucke @outtacontext Thanks for the endodontic updates! Definitely fun for a geeky dentist to get the play by play. Hope post op is uneventful. 05:00 PM May 01, 2008 from web in reply to outtacontext

Periapex @outtacontext Thanks for the blow by blow. Missed half of it in real time cuz Twitter's API was messing up. 05:00 PM May 01, 2008 from web in reply to outtacontext

jflucke @outtacontext Easier than you thought, huh? 02:22 PM May 01, 2008 from web in reply to outtacontext

jflucke @outtacontext Ask what brand of files he is using. Also what type of sealer. He's going to hate that a bunch of us are asking questions! 02:12 PM May 01, 2008 from web in reply to outtacontext

aquavir @outtacontext glad it seems to be going smoothly. Root canals are usually just boring for the patient; maybe I should have my pts tweet. 03:07 PM May 01, 2008 from web in reply to outtacontext

leecoursey @outtacontext Tell him you're really concerned about when you can start picking your teeth with those cool new metal toothpicks again 02:04 PM May 01, 2008 from web in reply to outtacontext

Periapex @outtacontext Ask if he's using rotary files 03:02 PM May 01, 2008 from whirl in reply to outtacontext

jflucke @outtacontext Yeah, 20-21 is about average. Sounds like it's going according to plan. 01:51 PM May 01, 2008 from web in reply to outtacontext

jflucke @outtacontext Which tooth is being treated? 01:15 PM May 01, 2008 from web in reply to outtacontext

stevehoff @outtacontext When you're talking "wits" it's all relative. lol 01:02 PM May 01, 2008 from web in reply to outtacontext

jflucke @outtacontext Rubber dam on? 12:58 PM May 01, 2008 from web in reply to outtacontext

stevehoff @outtacontext is breaking new twitter ground as he tweets the play by play of his root canal. check it out before he goes totally numb. 12:53 PM May 01, 2008 from web in reply to outtacontext

jflucke @outtacontext lidocaine or marcaine? 12:33 PM May 01, 2008 from web in reply to outtacontext

jflucke @outtacontext A geek dentist in KC following your updates. May the force be with you... 12:32 PM May 01, 2008 from web in reply to outtacontext
